SUMMARY

Former Meta content strategist and legal assistant with a track record of translating dense technical material into clear communication. Committed to using my background in operations, content, and neuroscience to contribute to transformative AI going well.

EDUCATION & CERTIFICATIONS

Duke University, Trinity College of Arts and Sciences

Aug 2017 – May 2021

B.A., Interdepartmental Major in Neuroscience and Visual & Media Studies | GPA: 3.80

BlueDot Impact: AGI Strategy (Aug 2026), Future of AI (Aug 2026)

PROFESSIONAL EXPERIENCE

Independent Study — AI Risk | Berkeley, CA

Jun 2026 – Present

- Read 80,000 Hours' 11 essential resources on AI risk ([link](#))
- Built [airiskweb.com](#), an interactive concept map for learning key AI risk concepts ([link](#))
- Completed BlueDot Impact courses AGI Strategy (25 hours) and Future of AI (2 hours)
- Attended EAGxBerkeley events on DNA supply chain security, AI 2040's Plan A, animal welfare, AI consciousness, and mechanistic interpretability
- Also: *If Anyone Builds It, Everyone Dies*; *80,000 Hours: How to Have a Fulfilling Career That Does Good*; AI in Context videos

Legal Assistant | Shamoun & Norman, LLP, Dallas, TX

Jan 2026 – May 2026

- Supported attorneys at a litigation firm under deposition and filing deadlines; organized case files, drafted case summaries, and analyzed testimony for inconsistencies.

Content Strategist | Meta (WhatsApp), Menlo Park, CA

Aug 2021 – Nov 2022

- Published 30+ feature-launch articles reaching ~15M monthly views across 33 languages; specialty was translating dense technical material (privacy, security, payments) into clear, trustworthy prose for a global general audience.
- Led the WhatsApp Help Center redesign through user research and support-ticket analysis; coordinated cross-functionally with product, engineering, legal, and localization.
- Received highest performance rating ("greatly exceeds expectations") and promoted within first six months.

Substitute Teacher | Shelton School & Evaluation Center, Dallas, TX

Nov 2023 – Jan 2026

- Taught math and reading to neurodivergent middle schoolers; managed day-to-day classroom operations, behavior, and crisis preparation.

Work Practice Apprentice | San Francisco Zen Center, San Francisco, CA

Mar 2025 – May 2025

- Three-month residential apprenticeship on the kitchen and guest crews alongside ~40 residents; full daily schedule of zazen, services, study, and work practice.

Content Strategy Intern | WhatsApp, Menlo Park, CA

May 2020 – Jul 2020

- Led a 10-intern team that shipped a new chat interface for video calling; first place at Facebook's summer hackathon. Earned full-time return offer.

Program Director, Project Arts | Duke University, Durham, NC

Sep 2018 – Sep 2019

- Ran a week-long arts orientation: 24-person staff, \$12K budget, logistics (housing, meals, transportation) for 72 incoming students. 100% participant satisfaction.
- Built crisis-management protocols across university admin, staff, and parents; trained incoming directors.

Vice President & Lead Pilot | Duke Academy of Model Aeronautics, Durham, NC

May 2019 – Oct 2021

- Managed \$15K annual engineering budget; co-authored Duke's drone policy as safety officer. Founded the Pro Pilots Invitational — three-day industry event, \$7K budget, 40+ attendees.

SELECTED PROJECTS

- **AI Risk Web** — 67 concept briefings, 11 summaries with guided walks, 8 theme pages, published style guide.
- **RC aircraft and FPV drones** — 15 years building and flying 50+ drones, airplanes, and robotic systems; thousands of hours in simulation and actual flying time ([link](#))

SKILLS

Operations: process documentation, stakeholder communication, cross-functional coordination, event logistics, budget management.

Writing: technical documentation, UX writing, blogs, help center.

Tools: Claude Code, Google Workspace, Notion, Microsoft Office, Figma, Premiere Pro, GitHub.
